

October

October is finally here! With the temperatures starting to cool down (a little) and the kiddos settling into the school year, it's a great time to be a Cypress Cub! This month, we have so many exciting things happening and we don't want you to miss any of them. We have our first Mystery Prize celebration for Cubs who not only earned a Cub 100 ticket, but also got their ticket pulled to be on the bingo board by the main office. Ask your child about this incentive program. It's a great conversation starter and it's so fun to be able to celebrate when students do their very best work to follow our Cub Expectations.

Next, we have not only our Cub Ambassador Team (CAT) giving tours to our newest Cubs, but also have our Cub Crew planning an exciting Red Ribbon Week celebration coming up during the last week of October. We will have themed dress-up days again this year, and the Crew is anxious to reveal what those will include. Have your child watch for the posters throughout the school and be ready to sign our "These Paws Don't Touch Drugs" poster during their lunchtime.

Finally, we will be continuing Counselor Connection lessons from the Safer, Smarter Kids curriculum. Did your child get to tell you all about the 'Trusted Triangle', or what a Safety Stop Sign is? They are learning very valuable lessons on how to stay safe and smart, and I bet they'd love to share what they know with you.

Thank you for the opportunity to help your child be successful. Together we can accomplish so much! If there's anything I can help you with, please feel free to call or email me at any time.

Mrs. Allen
School Counselor
