

Hello Cypress Families!

November seemed to fly by with *all* the activities and weeklong Thanksgiving break. From Student-of-the-Month ceremonies, Cub 100 Mystery Prize parties, and Golden Spatula celebrations, to the Primary students' Thanksgiving dinner festivities, and Cypress food drive, our month of November was packed with excitement. Now that we've wrapped up our monthly Safer, Smarter Kids lesson on being a good digital-citizen, it's a great opportunity to talk with your child about what they learned on this topic. It's great to see the students using their SSK safety examples throughout the school.

Speaking of good examples, Cypress Elementary students and families gathered over 800 items and 23 turkeys for the Thanksgiving food drive. The pizza party for the most items donated goes to Mrs. Adams 2nd grade class. GREAT WORK and thank you to everyone who donated! The Cub Crew has had a fantastic time sorting and distributing *all* the wonderful food items.

To *all* of our Cypress families, I hope you had a wonderful holiday break filled with family, friends, and opportunities to make unforgettable memories.

Mrs. Allen
Cypress Elementary School Counselor
