Golden Spatula Winners

The following students received a special lunch experience! Every other Monday, we draw 10 tickets, and those lucky students will enjoy a special celebration with a buddy, Mrs. Krapfl and Mrs. Tonello on Thursday! Students can earn a Golden Spatula Ticket by showing outstanding behavior and manners in the Cafeteria.

Logging Minutes

Whether you are logging your minutes at home, at school, or if your teacher is doing it for you, our minutes are adding up! The goal is for all our students to be able to log their minutes independently. How is your child logging minutes? Please do not forget to include the AT SCHOOL MINUTES, ALSO!

Total minutes logged, school-wide as of 10/23/15 **379,955**.

42 Students have reached the 2000 minute white milestone, and we have 1 student who has logged 4000 minutes!

Cypress is proud to recognize the accomplishments of our Cypress Volunteers of the Year!

Ms. Theresa Madonia is a valued member of our Cypress Family as a volunteer. She works hard at all her volunteer assignments, and is loved by staff and students. Ms. Madonia volunteers in all areas of the school, although she has found a special place in her heart for our ESE Pre-K Unit. Her caring personality allows her to excel with our youngest Cypress Cubs, and her efficiency puts her in high demand for other volunteer jobs.

She is quick to learn, no matter the task, and is quick to be able to work independently until the assignment at hand is completed. She is a true gem helping with clerical duties, able to work without much direction.

Theresa, we applaud you, and we value the contribution you make to help all our students and staff.

Mr. Alan Witt is a most valuable volunteer at Cypress. During a normal week, on Friday we can find Mr. Witt with our kindergarten babies, reading, mentoring and helping them to reach a higher academic potential. Once student lunches begin, Mr. Witt heads on over to the place most would run from. The cafeteria! He realizes how difficult it is for our daytime maintenance crew to get everything done, and pitches in. With a smile on his face, he gladly helps kids dump their milk and stack their trays. For those kindergarteners he has worked with over the years, they get a special kind word that brightens up their day. That is just a normal day for Mr. Witt. On his non-normal days at Cypress as a volunteer, he has brought a group of friends, on the weekend, from Next Generations Church to spruce up the school by weeding, painting, school grounds maintenance, as well as housekeeping inside the building.

A school volunteer for at least 10 years, Mr. Witt has seen us through many changes, and vice-versa. When his granddaughter began with us in kindergarten, he juggled volunteer time into a very busy schedule. He made it a priority to be a role model. After his retirement, he continued coming to Cypress. When his granddaughter went on to Middle School, he continued to volunteer at Cypress. For a short while, he worked with our Maintenance Crew, but realized he just wanted to volunteer. He thrives on giving to the community, and knows he can make a positive impact on students. He is greatly appreciated for his work in the cafeteria. Volunteers like Mr. Witt bring our School Mission to life. We are a learning partnership, and everyone in the building benefits. When he smiles at little Johnny and asks him to open his milk carton and dump the milk, what he is truly saying is, "Little Johnny, I remember working with you two years ago, and you are growing up to be a fine young man." "I believe in you, and reach for the stars." "You can do it."
