

Great American Teach-In

Wednesday, November 15th, 2017

The Great American Teach-In is a special event dedicated to exposing students across the nation to wonderful and exciting career choices. This is an opportunity to inspire young minds and encourage tomorrow's work force.

We are inviting parents and friends in the community to give 10 – 20 minutes to come in and candidly talk to your child's class about your job or hobby. During the day we schedule other fun speakers and presentations for our students to visit, as well.

If you are interested in participating in the Great America Teach-In, please complete the bottom portion of this flier and return it to your child's teacher before Wednesday, November 8th.

All participants are subject to a Raptor Screening.

As the Great American Teach-In is an educational event and not an advertising opportunity, the GATI Coordinator must approve any materials that will be viewed or distributed to students.

If you have any questions, please feel free to contact the Great American Teach-In Coordinator, Debbie Burd.
