

Kindergarten Registration Day at Cypress Elementary School Wednesday, July 8, 2020 8:00AM-4:30PM

Time to register your Kindergartener! If your child will be 5 years old on or before September 1, 2020, it's time to register for school.

Kindergarten Registration this year will focus on turning in registration forms, proofs of residence, school physicals, immunizations records, and documentation for proof of child's birthdate. We ask all parents to follow the CDC guidelines respecting social distancing, only one parent come on campus to register their K student, and use a face masks while on the school campus.
