Cypress Elementary School is a learning community dedicated to developing resilient, lifelong learners who will work towards reaching their highest potential.

We are approaching the end of the first quarter on October 16th. Report cards will be posted to myStudent on October 27th in the parent portal. Please be sure you created an account so that you can access these informational report cards. Please call our front office if you need assistance of any kind. After you review your child's report card, be sure to reach out to your child's teacher if you have any questions.

Cypress is proud to have a strong Positive Behavior Intervention Support system in place and students are excited to shop in our Cub Store. We have three schoolwide expectations, they are: Be Safe, Be Respectful, and Be Responsible. Students have learned these expectations quickly and are working hard to keep everyone on campus safe especially with our new procedures due to COVID-19. By implementing the schoolwide expectations, we are able to increase the amount of time that students are spending in their learning environment, increasing individual student achievement, and increasing the overall performance of our school.

Parents thank you for your support and working with the Cypress team to ensure your child(ren) has the best schooling experience each day.

Don't forget every Friday is our School Spirit Day! Please encourage your child to wear a Cypress shirt or green, black, and white on these days.

Hears to a great school year! Stay well!

Mrs. Berryhill, Principal

Out of Field Teaching Assignments as of 10/1/2020

Individuals who are teaching out-of-field are certified in at least one area and are qualified to teach but are required to take additional course work or testing to add a coverage/endorsement to their certificate. The state also requires a teacher to take coursework/in-service towards an English for Speakers of Other Languages (ESOL) endorsement, when the teacher is the primary language arts provider and/or reading teacher for an ESOL student.

The following teachers have agreed to teach out-of-field while completing course work/testing: Rachel Haworth (Gifted Endorsement).

The following teachers have completed the requirements and their certificate is pending: Nicole Fisher-Pugh (Elementary K-6), Denise Mercado (ESE), and Kristene Taylor (Elementary K-6).

The following teachers have agreed to work towards the ESOL endorsement: Michelle Coleman, Sherry Erwin, Se-Ann Joseph, Kayleena Lounsbury, and Kristene Taylor.
