Cypress Elementary School is a learning community dedicated to developing resilient, lifelong learners who will work towards reaching their highest potential.

Dear Families,

The month of February will be another busy month of learning. Each day teachers are working with students and setting IRLA power goals with students. Please ask your student(s) about their goal and how they are practicing to achieve the goal. Setting and accomplishing goals is one way students are able to take ownership for their learning starting at a very early age. We want each student to feel empowered to learn and increase their knowledge each and every day. Your continued support with homework, nightly reading, and ensuring students are prepared for school each day is appreciated more than you know. Together as a team we will help our students to reach their goals to be independent, confident students, and citizens.

Lastly, please be sure to set up a conference with your child's teacher(s) if you haven't done so already this year. At least one parent-teacher conference is a good idea each year to understand exactly where your student is academically and social emotionally performing and to gather ways to support them with their goals.

Please remember to do the daily self-screener to ensure your child feels well coming to school each day.

Stay well,

Mrs. Berryhill, Principal

2021 Early Release Days. Students will be released at 2:08PM.

March 3rd April 7th

**PTO Meeting
Thursday, February 18th
at 4:40PM**

If you have joined PTO, please watch for an email with the link. The ZOOM link will also be available on our school Facebook page, and website!

Counselors Corner

Character Trait of the Month

This month the Character trait of the month is Respect. Respect is treating others the way I want to be treated. Being considerate and honoring the feelings, opinions, and property of others. An example of respect is being quiet in school when the teacher is teaching. We must be respectful with each other in order to create a positive community.

Safer, Smarter, Kids (SSK)

Safer, Smarter, Kids is our school wide guidance curriculum. The curriculum is a prevention curriculum ensured to educate students on their own personal safety and safety in the community.

The School Counselors are going into each classroom monthly to cover the developmentally appropriate prevention curriculum. This curriculum is taught over a series of lessons, in class activities, and videos.

Some of the topics that are being covered include body boundaries, respecting themselves and others, using their voice to tell a trusted adult in the Safety Network when a situation makes them feel confused or uncomfortable.

If you would like to learn more about the curriculum or review the Safer, Smarter Kids parent tool kit to learn more about the topics covered in the curriculum, please visit SaferSmarterKids.Org.
