Cypress Elementary School is a learning community dedicated to developing resilient, lifelong learners who will work towards reaching their highest potential.

Dear Parents,

As we move into the month of November, I am thankful for the Community of Learners we have here at Cypress Elementary School. Our students, faculty/staff, families, and business partners have all been so amazing during these unprecedented times in our world and with our ways of schooling. Thank you for your patience and for partnering with us during this journey. While we are not able to hold some of our traditional events here on campus our PTO continues to look for creative ways to provide opportunities to support our school.

Our theme for the month of November is a focus on Honesty. Honesty is an essential character trait that individuals need to be successful in school and in life. Our Student of the Month will celebrate an exceptional student from each class who demonstrates this trait. This is a great opportunity to talk with your child about practical ways to engage in honest interactions with friends and family. As a school we, appreciate your support with spending time on this life skill with your student. Truly, this is one of those traits that makes a huge difference in relationship with others.

As we enter into the midpoint of the second quarter, teachers are engaging students with more rigorous instruction. Please be sure to communicate regularly with your child's teacher and look at their progress report on myStudent in the parent portal on November 13<sup>th</sup>. This is a valuable tool in keeping parents informed with your child's progress and attendance. Please contact our front office if we can assist you in any way to gain access to this portal.

Remember each Friday is School Spirit Day where students may wear crazy fun socks, school shirts, and/or school colors green, black, and white.

Stay well!

*Mrs. Berryhill, Principal*

## Cypress PTO

Look for information for our Cypress PTO Family Holiday Craft Night! We are planning a unique experience that your family will love to be a part of!

## Great American Teach-In 18<sup>th</sup>

We are inviting parents and friends in the community to give 10–20 minutes to present to your child's class about your job or hobby through ZOOM.

If you are interested in participating in the Great America Teach-In, please call the school office or reach out to your child's teacher before Monday, November 9<sup>th</sup>.

## Wednesday, November
