

Save the Date!!

Dear Parents,

We would like to invite you to our first Kindergarten and Pre- K VE only Open House. Open House will be on September 5, 2018 from 5:30-6:30PM. Book Fair will be open 5:00-6:30PM.

Open House will begin in the cafeteria with a power point presentation. This presentation will cover the requirements that kindergarten students will need to master by the end of the year. IRLA, ReadyGen, and Eureka will be discussed.

Our presentation will cover other significant topics. One topic will be the different field trips that we will schedule for the year. We will discuss projected costs and the Acorn system for payments. Also, we will discuss mypascoconnect and websites that can be accessed from there. Another topic will be book clubs, Adopt a class, etc. that will be offered.

Once the presentation in the cafeteria is over you will be invited to your child's classroom to see things that your child has worked on. There will be books at each level that children will be expected to read fluently by the end of the year.

Please join us on September 5, 2018.
