Cypress Elementary School is a learning community dedicated to developing resilient, lifelong learners who will work towards reaching their highest potential.

Families,

Spring Break is a week away and excitement is in the air. It is hard to believe a third of the school year is over. This school year has been unlike any other but through all of the challenges we have stretched ourselves and persevered as a school community. The 4<sup>th</sup> quarter of the school year starts right after Spring Break and our goal is to refine the necessary learning for each grade level as our students will be taking local and state assessments. Look for more information coming home after break with all the details.

Here are 7 tips every child needs to hear often:

1. I love you
2. I'm proud of you
3. I'm sorry
4. I forgive you
5. I'm listening
6. This is your responsibility
7. You've got what it takes

Stay well,

Mrs. Berryhill-Principal

## Counselors Corner

**Character Trait of the Month is responsibility.**

**Encourage Kids to Do What They Love**

Help kids take part in activities, interests, and hobbies they like. Kids can volunteer, play sports, sing in a chorus, or join a youth group. These activities give kids a chance to have fun and meet others with the same interests. They can build confidence and friendships that help protect kids from bullying.
