Cypress Elementary School is a learning community dedicated to developing resilient, lifelong learners who will work towards reaching their highest potential.

Dear Families,

The end of the school year is upon us. In these last few weeks there will be solidifying of learning, district and state testing for many grade levels, fun activities, and many celebrations to be had. I would like to acknowledge the efforts made by our staff, students, families, and the community to ensure our school year was a success. The commitment made by staff to ensure our students were supported academically, socially, and emotionally was amazing. This year we say good-bye to 5 staff members who are retiring. I would like to wish each of them the very best in their retirement years-Susan Bayless-5<sup>th</sup> Grade Teacher, Pamela Roberts-ESE Secretary, Sue "Boo" Grego-School Nurse, Darlene Haggerty-Cafeteria, and Kathy Hillard-Cafeteria. Finally, I would like to wish all of our 5<sup>th</sup> graders the very best as they move on to middle school.

Remember ONCE a Cypress Cubbie, ALWAYS a Cypress Cubbie!

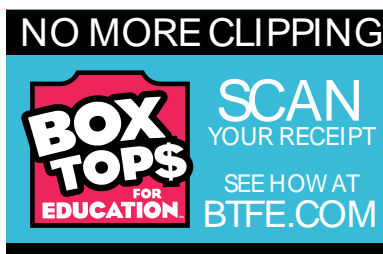

Stay well,

Mrs. Berryhill, Principal

#### What Is Bullying

Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, long lasting issues.

In order to be considered bullying, the behavior must be aggressive and include:

**An Imbalance of Power:** Kids who bully use their power—such as physical strength, access to embarrassing information, or popularity—to control or harm others. Power imbalances can change over time and in different situations, even if they involve the same people.

**Repetition:** Bullying behaviors happen more than once or have the potential to happen more than once.

Bullying includes actions such as making threats, spreading rumors, attacking someone physically or verbally, and excluding someone from a group on purpose.
