

Dear Cypress Families,

Welcome to a new school year! The entire staff and I are excited for the new school year. While there is a lot going on with Covid we will continue to take every precaution while our students and staff are on the school campus as we work together to keep each other safe. Parents please remember to self-screen your child each day, if they are unable to pass the screener, please keep your child home.

This year we hope to gain a lot of momentum with each student with their learning. We have new English Language Arts B.E.S.T. Standards and a new reading adoption. These materials are very engaging and we know our students are going to love the program.

Please know that we are here for you as a school, if you have any questions about how your child is doing in school, please reach out to your child's teacher. In addition, to your child's teacher we have a full-time social worker, school counselor, and many other support staff that are available if and when you need their assistance.

It's going to be an extraordinary school year!!

DISTRICT SCHOOL BOARD OF PASCO COUNTY
RESPONSIBLE ELECTRONIC USE RULES FOR STUDENTS

MIS Form
#191
Rev. 2/16

I have access to the Internet, school networks, district provided electronic accounts, email, and electronic devices and other "electronic resources" so I can:

- expand my learning;
- communicate with others about what I am learning;
- research topics for class projects or for my personal learning;
- create products highlighting my learning;
- learn how to be a responsible and productive digital citizen.

Here are some things I need to know:

- Electronic devices include but are not limited to computers, netbooks, iPads, iPods, tablets, cell phones, cameras, and other electronic devices that allow me to create and communicate.
- I am responsible for all my online activities that take place through the network connection with my school's devices, **electronic accounts, email**, or through access with **my** own personal electronic devices.
- I am responsible for obeying all laws, including copyright. This also means I may not use the District logo or other District-owned content on my personal posts.
- I do not have the right of privacy when accessing the Internet or network while at school.
- Communicating electronically includes using my camera and cell phone to communicate visually.
- When communicating electronically, **I should** ask myself: Is it safe? Is it kind? Is it respectful? Is it appropriate?
- I do not have an **absolute right** to take, publish/post photographs or videos of others at school, as it may impact their individual rights of privacy.
- Bullying or harassing someone either in person or electronically is wrong, violates the Code of Student Conduct, and is against the law.
- Information I find on the internet is not necessarily true or accurate.
- There are filters to prevent access to inappropriate information, but no filter is perfect. Every user must take responsibility for his or her use of the network and Internet and avoid objectionable sites, content and communication.
- The District reserves the right to monitor, inspect, copy, review and store, without prior notice, information about the content and usage of internet, school networks, district issued electronic accounts, email and electronic devices. Students should have no expectation of privacy over matters sent or received through such electronic resources.
- I can learn more about being a responsible digital citizen at <http://www.safeflorida.net/safesurf>.

Here's what I agree to do as a responsible and productive digital citizen:

- I will follow all school rules and laws when using electronic devices at school.
- I will not damage equipment, upload harmful files, damage files, delete files, or access someone else's account or files because it impacts others.
- I will keep my password to myself and will not share it with others.
- I will not search for or try to access obscene, harmful, or inappropriate material.
- If I accidentally access inappropriate materials, I will close the window and tell a responsible adult.
- I will not post or send hurtful, offensive or inappropriate material.
- I will behave honestly, fairly, and with integrity when posting online, including my social networks.
- I will follow rules of network etiquette, and I will be polite when communicating with others electronically. I will not use bad language or access messages from others who use bad language.
- I will not post or share pictures of others without their knowledge and approval.
- I will stay safe and will never meet or give out personal information such as my name, phone number, or address to someone I meet on the Internet without the express permission of my parents and/or teachers.
- I will discuss my online activities with my parents so they understand how I am learning to be a digital citizen.
- My teachers and administrators have the right to access whatever I do online while in school if they are concerned about my safety or the safety of others.
- I will not use others' work without permission or without citing their work according to copyright laws.
- If I'm not sure how to do something or whether something is okay to access or do, I will ask a responsible adult.

What happens if I violate these rules and am not a responsible digital citizen?

- Violations of these rules will result in disciplinary action according to the Student Code of Conduct.

Parent (s) Guardian of Students:

As the parent or guardian of this student, I have read the Responsible Electronic Use Rules for Students and understand the policies and provision within.

SECTION III: REGISTRATION REQUIREMENTS

All students must attend the school in the district where their parents/legal guardians reside unless they have an approved assignment to another school or program (e.g., School Choice). Applications for School Choice may be obtained by visiting the Pasco County School: Educational Options website. Completed applications must be submitted during specified application periods.

The school district expects residence information submitted regarding students to be truthful and accurate and district forms pertaining to residence and household membership shall be verified under penalties of perjury.

Section §837.06, Florida Statutes, provides that, "Whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his or her official duty shall be guilty of a misdemeanor of the second degree." Additionally, a person who knowingly makes a false declaration under penalties of perjury commits a felony of the third degree, pursuant to section 92.525, Florida Statutes. Providing school officials false information regarding your residence when enrolling your child may result in your child being withdrawn and/or reassigned to the appropriate zoned school and referral of the matter to law enforcement for possible criminal prosecution. Additionally, falsification of this information may result in the permanent revocation of your child's privilege to engage in extracurricular activities, including organized sports.

Parents/legal guardians are responsible for notifying the school principal if there is a change in residence or parental responsibility of the student within five (5) days even if the parent thinks the student is still in the school's zone. Failure to give timely notice may result in a reassignment to the student's zoned school and/or loss of eligibility for athletics and other activities.

Additional information regarding registration requirements can be found at:
http://www.pasco.k12.fl.us/comm/registration_requirements

SECTION IV: PARENT & STUDENT ACKNOWLEDGEMENT

The legal notices, policies and procedures listed and described can be found in their entirety online at http://www.pasco.k12.fl.us/ssps/parent_notices. A hard copy of each may be obtained in English or Spanish by contacting your child's school.

It is vital that parents and students are aware of their rights, as well as the rules and procedures that are required of all Pasco County School District students and families. We ask that each student and a parent/guardian sign this acknowledgment and return it to your child's school. Failure to return this acknowledgement will not relieve a student or the parent/guardian from the responsibility of obtaining the knowledge of all notices, policies and procedures of the Pasco County School District.

- ☐ I understand that I can access all legal notices and policies and procedures, including the Student Code of Conduct, at http://www.pasco.k12.fl.us/ssps/parent_notices. I understand that I can request a copy of any piece of this information by contacting my child's school.

Cub Dress Code

To view the entire DSBPC Dress Code, please visit our Cypress Web Page<School Information. The most common dress code issues seen in the elementary setting are:

- ❖ Shoes. To participate in PE AND RECESS, students need to have shoes with backs and closed toe. Students with sandals will need to sit out of PE and recess. **In the elementary setting, flip flops are not appropriate footwear. All shoes must have backs.**
- ❖ Pants/shorts should not have holes or rips, and should be worn securely at the waist.
- ❖ Shorts/skirts should be long enough to reach fingertips or 4 inches above the knee. *****At the elementary level, we understand children are growing quickly, and keeping to the fingertip guideline would be difficult. We respectfully ask parents to monitor the length of shorts to help ensure an appropriate length, the entire day without needing to pull them down after sitting down.*
- ❖ Shirts should be long enough to overlap the waistband without exposing skin during the school day.
- ❖ Shirt necklines should not fall lower than drawing an imaginary line between both armpits.
- ❖ Straps should be 2 adult fingers wide, over the shoulder. Backless and shoulder-less clothing needs to be worn at home, and bra straps should not be seen.

NOTIFICATION OF INSPECTION FOR ASBESTOS CONTAINING MATERIALS IN PUBLIC SCHOOLS

The Environmental Protection Agency (EPA) has issued a final rule, 40 CFR Part 763, Asbestos Containing Material in schools, commonly referred to as AHERA. This rule requires all Local Education Agencies (LEA's) to identify asbestos containing materials (ACM) in their school buildings and to take appropriate actions to control the release of asbestos fibers.

All inspections for *Cypress Elementary* have been completed and a Management Plan describing the results of the inspection and the action plan to control any asbestos found during the inspection, where applicable, has been submitted to the governor for approval. A copy of this plan is located in the administrative office of this school and at the Pasco County Schools Maintenance & Facility Services Department and is available for review upon request.

DISTRICT SCHOOL BOARD OF PASCO COUNTY MEDIA RELEASE NON-CONSENT FORM

MIS Form #667
Rev. 5/12

The District School Board of Pasco County (DSBPC, the District) strives to celebrate the accomplishments of its students by sharing information with the community. To do this, the District may submit press releases to local media (newspapers, radio, television, online news blogs) that include student names, student work, student photographs, and video and/or voice recordings.

In addition, the District may choose to publish and/or display this information in District-sponsored publications, at various school or public functions, on the District's local cable channel, website(s) and various social media channels, or in the school yearbook. While the intent of this practice is to be informative and celebratory, the District recognizes that concerns may arise regarding a student's right to privacy.

Pursuant to the Federal Family Educational Rights and Privacy Act (FERPA), school districts are permitted to release "school directory information" unless parents exercise their right of refusal. Under the FERPA law, this information could include: student name, residential address, e-mail address, phone numbers, photographs/images, school locations, field of study, degrees, honors and awards received and participation in athletics and other activities.

It is the intent and practice of the School District to publish, post, or release **ONLY** a child's name, photograph, audio and/or video recording, displays of student work or other school-related information and **ONLY** as related to student achievement (e.g. academic/athletic recognition or award) or student accomplishment (e.g. a specially selected piece of work).

If you agree to allow the DSBPC to publish and/or display such information about your student for non-commercial purposes and without cost, no action is required.

If you **DO NOT** grant permission for the District to release your child's name, photograph, schoolwork, and/or video or voice recording in the manner stated above, **you must complete, sign and return this Media Release Non-Consent form to your child's school.** Please note that the Media Release Non-Consent Form is available in the administrative office of your child's school and on the District web site, and a signed form is considered valid for one (1) school year.

By signing and returning this form to my child's school, I formally state that **I DO NOT** grant permission to the District School Board of Pasco County to release my child's name, photograph, audio and/or video recording, or displays of work to the media; to publish information about my child's accomplishments or achievements in District-sponsored publications; or to display such information on the District's local cable channel, website(s), various social media channels, in the school yearbook, or at school or public functions during the current school year.

DISTRICT SCHOOL BOARD OF PASCO COUNTY
STUDENTS IN TRANSITION (SIT) PROGRAM
MCKINNEY-VENTO ACT REFERRAL FORM
(One form per family)
Submit online at: sitprogram@pasco.k12.fl.us

MIS 140
Rev. 06/20

The Pasco County School District wants to make sure that your child receives the best possible education. The information from this form will help to determine if your student is able to receive benefits under the federal McKinney-Vento Act, a law that helps students who are temporarily displaced from their home for certain reasons. Specific rights are listed on the next page.

A student qualifies for the McKinney-Vento Act if they are between the ages of 0-22 and lack a fixed, regular and adequate nighttime residence. Specifically, if a student lives under any of these conditions:

- a house or apartment with more than one family because of economic hardship or loss
- a shelter (family, youth or domestic violence shelter or transitional living program)
- a motel, hotel or weekly rate housing
- an abandoned building, in a car, at a campground, on the street, etc.
