Cypress Elementary School is a learning community dedicated to developing resilient, lifelong learners who will work towards reaching their highest potential.

As we enter the month of December, we remember how fortunate we are here at Cypress with such a caring and giving community. Our food drive is going amazing and so many families will have food for the holidays due to our Cypress families generosity. Last week our Chorus sang to elderly residents within our community. This was a blessing for them and our students to interact with one another.

This month our students will be taking MAPS, NWEA diagnostic assessments again. We look forward to seeing their growth since the beginning of the year in reading, math and science.

On December 8th, we are invited our families back once again to our Cypress Holiday Night. We will have Santa with cookies and cocoa, our book fair, school spirit items, a place to write and drop off notes to Santa, our K students will be singing under the covered shelter and food to enjoy. We hope you can join us for this amazing holiday night!

Parents remember your child should be reading at least 20 minutes per night this may include: reading to themselves, to you, another family member, or to their favorite stuffed animal.

Wishing you a very Merry Christmas, Happy Holidays, and a Happy New Year!

Mrs. Berryhill
Principal
