

Hey there Cypress Cubs, it's Ms. Krapfl with your weekly school news! Hope this finds you healthy and well on this beautiful Sunday! It's been an amazing start to the school year as we all focus on learning, being kind to each other, and having a welcoming school community!

- This week we continue chorus practice on Thursday morning at 8:20 a.m with Percussion practice following on Friday morning at 8:20 as well.
- Friday is Intermediate popcorn day so be sure to go onto our school website <http://ces.pasco.k12.fl.us/>, click on Rycor, and purchase your popcorn pass for the whole year. If you forget you can always just send in a dollar with your child. Thank you to our generous PTA members for signing up to pop the popcorn on Fridays- we appreciate all that you do!
- We all love birthdays! Did you know our cafeteria will take care of the snack for your child's entire classroom celebration? You can order for a reasonable cost from <http://www.pasco.k12.fl.us/fns/mform/view.php?id=289896> at least 10-days in advance and everything will be taken care of for you. To simplify things even more you can also set up your child's lunch account by going to <http://www.myschoolbucks.com>. You can add funds, set restrictions for snacks and never have to worry about that last minute requests for ice cream money.
- Calling all dads! Cypress is starting up an All Pro Dads Chapter! We have a dad that has graciously offered to be our Team Captain and host this monthly opportunity. Our first time together will be in our media center on August 31st starting at 8:15 a.m. Mark your calendars and try to make it a flexible work morning for yourself, we would love to see all of our dads in attendance. <https://allprodadchapters.com/>
- Open House is coming up for all our families! We have opted to change it this year and aim for a pleasant experience that is more catered to you! Tuesday September 6th we invite our Kindergarten and 1st grade families to visit from 5 to 6 p.m. On Wednesday September 7th all of our 2nd and 3rd grade families are invited to do the same and finally we end our week with 4th and 5th grade families coming on Thursday September 8th. We will kick off each night with our Title I information, a message from the Superintendent and then spend the rest of the time visiting the campus with your child. The time is 5 to 6 p.m. each night and we know you are going to enjoy your visit!
- We have had so many families complete their Parent Portal Parent Bill of Rights. If you haven't its not too late! Some families didn't realize what you were selecting and actually said you do not want your child to have pictures, which includes the yearbook. Some families clicked no to healthcare, which means your child cannot be seen in the clinic. Our Parent Involvement Coordinators are reaching out to help families, but if you want to correct anything you must go back into the parent portal. You can reach out to Mrs. Jones or Mrs. Stubblefield at lmjones@pasco.k12.fl.us to seek help as well!
- Car loop families I need your help! My goal is to lessen the time everyone is sitting in the hot Florida heat! To do this I need all cars to pull forward in the loop and your child will move up with you to get into the car once you stop. There is no cell phone use past

the marquee as we need everyone being safe. We ask that car seats are on the side of the loop and that parents stay in the car. For safety of all involved I am asking that no passing happens in the car loop. Lastly, you must have your car loop tag. If not we are asking that you pull past spot #1 and a staff member will help you. If you need additional tags call the office and we will be sure to have that ready for you.

Thank you again for your continued support and wishing everyone a fantastic week!
