September 13, 2022

Dear Parent or Guardian of Cypress Elementary,

We would like to inform parents that there is an opportunity to have your child receive the flu vaccine while at school on October 7, 2022.

This activity will start at 9:00 AM until the students with consents are vaccinated. This activity will take place ONLY if the parent or Guardian signs the consent form.

The flu consent form must be returned as soon as possible or by September 23, 2022.

Why get vaccinated? FLU is a contagious disease that spreads around the United States every year between October and May. It is important we keep our students healthy with prevention, therefore we have coordinated this activity.

We are looking forward to having your child participate.

Thank You

Sincerely,

Maria Garcia Rn, Msn  
School Nurse
