

# CYPRESS ELEMENTARY SCHOOL

We are excited to kick off the annual Buddy-a-Thon fundraiser which runs from 2/4 to 2/18. The money we raise will be used to support the students, families and community of Cypress Elementary through programs and events including family engagement activities, teacher mini grants, student and teacher appreciation. Participating students get to pick and help “build their own” Buddy when the Buddy-a-Thon team brings the mobile “Create a Buddy” event to our school in March. Each Buddy is 16” in size, “department store” quality and comes with a heart insert and birth certificate! It’s an awesome event that the kids will love! Please support our fundraising efforts by registering TONIGHT and sending emails to your friends and family via our email system.

STEP 1
